

Accountants, AP & AR Associates - Future Opportunities

[Apply Now](#)

Company: Westinghouse Electric Company LLC.

Location: Kraków

Category: business-and-financial-operations

Are you interested in being part of an innovative team that supports Westinghouse's mission to provide clean energy solutions? At Westinghouse, we recognize that our employees are our most valuable asset and we seek to identify, attract and recruit the most qualified talent while recognizing and encouraging the value of diversity in the global workplace.

If you are interested in joining **Accountant, Accounts Payable (AP) or Accounts Receivable (AR) teams**, we encourage you to submit your interest by applying to this requisition **for future opportunities**. As positions on the teams become available, we will review our candidate pipeline in this requisition to identify potentially qualified candidates.

The **Accounting, AP & AR professionals** part of our Global Shared Services Center. Depending on the role, they have the opportunity to:

Prepare complex billing documentation in accordance with contractual terms and partnering with project teams to assure a high-quality invoice is issued to the customer as well as daily processing of cash application queries.

Support the daily processing of cash application, invoicing and other general accounting activities.

Perform payable functions within the company's invoice processing system and will have daily contact with vendors and other company personnel regarding the processing of invoices

Perform Month-End Close Activities

Other Accounting, AP or AR duties aligned with their function.

We offer a mobile work schedule at our Krakow office with WFH days during the week.

Westinghouse will retain application materials for a maximum period of three years from the year of receipt for consideration of applications for future opportunities of this position requisition. For any additional questions regarding the collection, handling, and/or use of your personal data, please see the .
