

Accounting Supervisor AR with French

Apply Now

Company: Marsh McLennan Companies

Location: Warszawa

Category: other-general

Description:

MMC is seeking candidates for the following position:

Accounting Supervisor AR with French

What can you expect?

As part of the Warsaw Accounting Operations (AO) hub, this role will supervise a team within the **Accounts Receivable (AR)** function. You will be a part of energetic and still growing team within MMC's Financial Hub which is a part of the wider finance head office function.

The function will provide accounting services to more than 30 countries within the EMEA region, across all MMC operating companies.

What is in it for you?

Further development within AO structures

Work in a people-oriented team with dynamic colleagues and leaders

Cooperation with other AO teams located in Warsaw office

Attractive benefits package (private health care, sports card, life insurance, lunch card), free access to LinkedIn learning platform, language courses refund

A modern office in Warsaw city center, just next to the M2 "Rondo Daszyńskiego" underground station

We will count on you to:

Supervise a team (10-15 people)

Conduct operational activities of the AR function such as: reconciliation of client accounts, coding, refunds to clients

Take care of accounting processes, ensuring accurate processing, recording, and reporting of financial information

Review and improve processes to achieve and maintain global standardization

Support the robust control environment and ensure compliance with all relevant standards

Ensure that developed KPIs and SLAs are met

Assist with auditors and audit requirements and SOX testing

What you need to have:

Proven people management experience

Very good command of English and French - a must

5+ years' of relevant professional experience with proven operational improvement capabilities

Working knowledge of ERP Accounting systems e.g. Oracle Financials

Excellent customer service skills

What makes you stand out:

University degree in the field of finance, accounting, or economics or recognized Accounting qualification e.g. ACCA

Previous experience in SSC / BPO
