Company: Rockwell Automation

Location: Katowice

Category: other-general

Rockwell Automation is a global technology leader focused on helping the world's manufacturers be more productive, sustainable, and agile. With more than 28,000 employees who make the world better every day, we know we have something special. Behind our customers - amazing companies that help feed the world, provide life-saving medicine on a global scale, and focus on clean water and green mobility - our people are energized problem solvers that take pride in how the work we do changes the world for the better. We welcome all makers, forward thinkers, and problem solvers who are looking for a place to do their best work. And if that's you we would love to have you join us!

Job Description

Join our dynamic team as an AR Team Leader and spearhead our Order-to-Cash operations to new heights!

Are you ready to take charge of a team and drive success in a fast-paced environment?

We're seeking an experienced AR Team Leader to lead our Order-to-Cash team in Katowice Finance Campus.

As the AR Team Leader, you'll be at the forefront of our operations, overseeing the daily activities of our Accounts Receivable team. Your role will be pivotal in fostering a culture of excellence, ensuring customer satisfaction, and maintaining adherence to procedures and policies.

Key Responsibilities:

Lead and manage day-to-day Accounts Receivable operations.

Cultivate a service-oriented culture, ensuring high levels of customer satisfaction.

Supervise and support daily operations to ensure timely and accurate cash allocation and process activities.

Drive continuous improvement initiatives to enhance business systems and practices.

Set and monitor team performance targets aligned with KPIs.

Uphold data quality standards and strive for error reduction.

Act as a focal point for issue resolution and provide technical accounting support.

Ensure compliance with Corporate Finance Policies and regulatory requirements.

Lead or support financial system implementation and migration projects.

Perform month-end closing activities.

Foster cross-functional collaboration to achieve team goals.

Promote a culture of continuous learning and development.

Requirements:

Fluent in English with strong communication and customer focus.

Experience in AR/Accounting activities preferred.

University degree in Finance, Accounting, or related field.

2-3 years of experience in a finance organization.

Strong stakeholder management and leadership skills.

Experience in people management desirable.

Excellent analytical and problem-solving abilities.

Ability to thrive in a fast-paced environment.

Proficiency in SAP and MS Excel.

Collaborative mindset with excellent teamwork skills.

Join us in driving success and fostering a culture of excellence. Take the next step in your

career journey with us!
