Business Analyst - Treasury Risk Management

at Capco Poland

Capco Poland is a global technology and management consultancy specializing in driving digital transformation across the financial services industry. We are passionate about helping our clients succeed in an ever-changing industry. We also are experts in banking and payments, capital markets, wealth and asset management focused on maintaining our nimble, agile, and entrepreneurial culture.

In the position you will contribute to the implementation and optimisation of the **Stress Testing** Framework for effective **risk management** in relation to the Regulatory Reporting outputs. Also co-ordinate primary Risk Stewards across Stress Testing processes to ensure delivery of Stress Testing activities within regulatory and internally mandated timelines, ensuring consistency in approach across regions where regulations permit as it pertains to Regulatory Reporting.
