

Clinical Operations Intern

[Apply Now](#)

Company: BeiGene

Location: Poland

Category: other-general

BeiGene continues to grow at a rapid pace with challenging and exciting opportunities for experienced professionals. When considering candidates, we look for scientific and business professionals who are highly motivated, collaborative, and most importantly, share our passionate interest in fighting cancer.

General Description/Scope of Responsibilities (Internship):

Support project/study activities and interact with project/study teams to ensure that all data, documentation, and information required fully align with study targets

Creating / refreshing / updating / maintaining assigned SharePoint folders

Support maintenance of the electronic Trial Master File (eTMF); Supporting QC reviews of documents and assisting with issue resolution

Support with CTMS data entry

Tracking project/study progress and producing reports and status metrics

Scheduling, tracking, and assisting with meeting management tasks; creating post meeting summaries

Perform other duties as assigned within Clinical Operations or other departments.

Essential Functions of the Internship:

Gain insight into the responsibilities of various roles in Clinical Operations and other departments in Basel, understand the importance of ICH-GCP and how Clinical Studies are

managed

Gain insight in differences across countries in region Europe for management of clinical trials.

Get insights in different tools and systems used for daily management of clinical trials

Provide ongoing support to study teams by becoming familiar with the day-to-day operations and the clinical trials currently being conducted.

Perform other support tasks as assigned in accordance with the SOPs, regulatory agencies and ICH-GCP guidelines.

Computer Skills: Computer literate on Microsoft Office package. Anything in addition is a plus.

Other Qualifications:

Availability to work full-time, for 10-12 weeks during summer period

Ability to work in a team environment as well as independently in a fast-paced environment

Good organizational, time management and communication skills

Language: Advanced English
