Why join us?

If you're still not convinced by our work, here are a few more reasons why you might enjoy working at Koffeecup.

Small team, big growth. We are a small team - both in London and Krakow - it avoids the "too many cooks" scenario. Our studios provide our people with the space they need to be their best!

Culture of creativity Our work should always be fun and exciting & we have the projects to back it up. We are laid-back, committed, flexible & hard-working. We believe flexibility is a two-way street.

Private healthcare. We care about the physical and mental well being of our team. No matter what happens - from an alien invasion to a sprained wrist - joining Koffeecup entitles you and to private medical care.

Training. Our team work incredibly hard, and so in the downtime we encourage them to pursue their career goals by investing in their learning - courses, resources & conferences. We will sort it.
