

Data Scientist (CPS-GfK)

[Apply Now](#)

Company: GfK

Location: Warsaw

Category: computer-and-mathematical

Description

As a **Data Scientist (m/f/d)** you will be responsible for a portfolio of projects in order to develop the relevant strategies and algorithms for our data-based client applications.

You will...

Develop tailor-made business solutions generating consumer insights.

Professional handling of large, partly unstructured consumer data.

Bring out innovative solutions, application of mathematical methods and computer-aided implementation.

Create and execute complex statistical analyzes that are required for reporting purposes or for answering in-depth clients questions.

Prepare and deliver client presentations.

You have...

Completed studies with a focus on statistics.

At least 2 years of professional experience in a relevant area and a good knowledge of

Python or R.

Knowledge of SPSS, VBA and experience in dealing with big data will be considered as an advantage.

Very good PC user skills (MS Office, especially Excel and PowerPoint).

Very good knowledge of English (possibly other foreign languages).

Excellent analytical skills, confident in handling common multivariate analyzes.

Client and result oriented personality, convincing with creative approaches.

Experience in market research, especially with panel data and in the area of online media, is an advantage.

We offer a hybrid working model for our CPS colleagues() and competitive core benefits as well as additional benefits including:

Ongoing trainings to support your development.

Opportunities for personal and professional growth

And much more...!

All documents will be treated in the strictest confidentiality.

Only short-listed candidates will be invited for an interview.

#LI-Hybrid

We are an ethical and honest company that is wholly committed to its clients and employees.

We are proud to be an inclusive workplace for all and are committed to equal employment opportunity, focusing on all of our employees reaching their full potential.

We respect and value every employee regardless of race, ethnicity, gender, sex, sexual orientation, age, personality, experience, culture, faith, socio-economic status, or physical or mental disabilities.

We endorse the core principles and rights set forth in the United Nations Declaration of Human Rights and the Social Charter of Fundamental Rights of the European Union, promoting the universal values of human dignity, freedom, equality, and solidarity.
