[Apply Now](#)

Company: N-iX

Location: Poland

Category: other-general

Work type:Office/Remote **Technical Level:** Manager **Job Category:** Delivery Management

N-iX is a software development service company that helps businesses across the globe develop successful software products. Founded in 2002 in Lviv, N-iX has come a long way and increased its presence in six countries Poland, Ukraine, Sweden, Bulgaria, Malta, and the US.

Today, we are a strong community of 2000+ professionals and a reliable partner for global industry leaders and Fortune 500 companies. Currently we are looking for a **Delivery Director** who will join our team. As a Delivery Director you will be accountable for operational and business unit management, financial and resource management, project execution supervision, building partnership and engagement with new clients, and working with existing customers to achieve the highest levels of cooperation, productivity and results. **Job Responsibilities:** Participate in contract and price negotiation process to sign the deal on favorable terms for the company

Manage efficient unit structure, ensure implementation of the best software development and delivery practices to exceed customer expectations

Ensure engagement methodology is followed by team from opportunity assessment to project closeout

Explore additional business opportunities and drive future business through quality results

Financial and contractual responsibility for engagement profitability

Required Experience and Skills:

6+ years of experience in IT

3+ years of experience as Delivery/Program Manager

Knowledgeable on software design, development, test and delivery methodologies

Fluency in development methodologies as they relate to delivering and implementing IT solutions required

Excellent judgment, interpersonal communication, analytical, and negotiation skills

Ability to multi-task and alter direction easily to accommodate changing priorities

Strong people management and client relationship skills

Excellent verbal and written communication skills

Ability to manage multiple priorities across various business groups

We offer:

Flexible working format - remote, office-based or flexible

A competitive salary and good compensation package

Personalized career growth

Professional development tools (mentorship program, tech talks and trainings, centers of excellence, and more)

Active tech communities with regular knowledge sharing

Education reimbursement

Paid vacation days, sick leaves, and days off

Healthcare & Sport program

Medical insurance

Memorable anniversary presents

Corporate events and team buildings
