

Embedded Software Testing Engineer

[Apply Now](#)

Company: Epm

Location: Poland

Category: computer-and-mathematical

Description

We are seeking an Embedded Software Testing Engineer, who has passion and deep understanding on how certain electronic devices work and how to test them. Join our team in one of our well-equipped offices in Gdansk, Katowice, Krakow, Lodz, Warsaw, or Wroclaw.

SEE YOURSELF IN THIS ROLE

We are looking for a self-driven Test Engineer to define, implement, execute, and evaluate test cases for the OND Devices. Testing will be performed via test fixtures already developed by our Client.

What Youll Do

Execute, design, and maintain test cases

Perform root cause analysis and troubleshoot production issues

Maintain, provision, and enhance the test environment/test fixtures

Contribute to the development of a comprehensive testing strategy that aligns with project goals and timelines

What You Have

Strong testing hard skills (testing theory, types of testing, test design techniques)

Strong root cause analysis and debugging skills

Experience in hardware testing (Embedded/IoT/HIL testing)

Strong Linux experience: CLI

Basic experience in electronics

Work experience in self-managed independent environment

Nice to have

Experience in automotive (CAN bus, OBDII preferred)

Experience in telecom (Cellular/LTE, networking, GPS)

Electronics (test fixture development, understanding of electrical schematic/electronics, electrical engineering experience)

Familiarity with Python, TestRail & Jira

We Offer

We gather like-minded people : Friendly team and enjoyable working environment

Engineering community of industrys professionals Flexible schedule and opportunity to work remotely within Poland Chance to work abroad for up to 60 days annually Relocation within our 50+ offices

We provide growth opportunities Outstanding career roadmap Leadership development, career advising, soft skills and well-being programs Certification (GCP, Azure, AWS) Unlimited access to LinkedIn Learning Language classes on English and Polish for foreigners

We cover it all : Stable income (Employment Contract or B2B) Participation in the Employee Stock Purchase Plan Referral bonuses Benefits package (health insurance, multisport, shopping vouchers) Strategically located offices featuring entertainment and relaxation zones, table tennis and football, free snacks, fantastic coffee, and many more Corporate and social events

We may contact chosen candidates only
