

## Energy Supply Chain - Principal

[Apply Now](#)

Company: Infosys Consulting - Europe

Location: Poland

Category: other-general

### About Us

Where Innovation meets Excellence.

Be a part of a globally renowned management consulting firm that is on the front-line of industry disruption. We are a mid-size player with an entrepreneurial spirit that works with a market-leading brand in every sector, while our parent organization Infosys is a top-5 powerhouse IT brand that is outperforming the market and experiencing rapid growth.

Our consulting business is annually recognized as one of the UK's top firms by the Financial Times and Forbes due to our client innovations, our cultural diversity and dedicated training and career paths we offer to our consultants.

As we look to strengthen our team with top talent that can shape the future for our firm, we seek entrepreneurial-minded individuals that value a highly-diverse culture where differences are embraced, that want to have a voice with top management and that are rewarded for collective achievement. We are committed to fostering an inclusive work culture that inspires everyone to deliver their best!

### The Team

Our Energy Practice helps some of the largest global firms and most recognizable brands solve their biggest challenges in today's age of constant disruption. With diverse services spanning strategy and digital innovation to supply chain optimisation, we help clients shape and achieve their growth agenda for a sustainable future.

### The Role

Ø Specializing in solutions for the complex challenges of the Oil & Gas supply chain and

logistics industry.

- Ø Proficient in supply chain management, logistics, and procurement processes in the Oil & Gas sector, with familiarity in using products like Aveva, SAP, and other leading supply chain management tools.
- Ø Understanding of business-IT enterprise architecture, IT operating models, and capability maturity models relevant to the Oil & Gas industry.
- Ø Development of Intellectual Property (IP) and Market Offerings, leveraging tools like Aveva and SAP to optimize supply chain processes.
- Ø Experience with Offshore Delivery Partners and integrating their offerings with mainstream supply chain solutions.
- Ø Expertise in business analysis for large-scale transformation projects in the Oil & Gas industry, particularly those involving complex supply chain solutions.
- Ø Proven record in enhancing business relationships with key stakeholders, particularly in projects involving supply chain solutions like SAP, Aveva, and others.
- Ø Engaging senior client personnel on technology and business aspects, especially concerning supply chain management tools and strategies.
- Ø Building sustainable client relationships, emphasizing the integration of advanced supply chain management tools.
- Ø Effective engagement with the C-suite to promote brand and service propositions, highlighting expertise in supply chain management solutions.
- Ø Leadership in diverse teams to ensure the delivery of optimal solutions, particularly in the realm of supply chain management using tools like SAP and A

## **Requirements**

### About You

We are looking for a Principal with Energy Industry knowledge and experience in:

- Ø 10+ Years' Experience in technology transformation and consulting in the oil & gas sector, with a focus on supply chain management solutions like Aveva, SAP, etc.
- Ø Expertise in strategy and innovation delivery in supply chain management, specifically using tools like SAP and Aveva.
- Ø Experience in leading supply chain and logistics transformations within the Oil & Gas industry, utilizing advanced supply chain solutions.
- Ø Ability to develop IP and Market Offerings, with a strong focus on integrating solutions like Aveva, SAP, and similar tools.

Ø History of fostering business relationships, with a focus on projects involving advanced supply chain management tools.

Ø Extensive knowledge of IT Strategy, best practices, and technology implementations, particularly in supply chain solutions.

Our ideal candidate will be:

Ø Proactive with an entrepreneurial spirit and team player mindset, and adept at engaging senior stakeholders

Ø An excellent communicator with outstanding verbal and written communication skills

Ø Able to demonstrate strategies for operational efficiency and thought leadership
