

Engineer Trainee (Staż Inżynierski) Warsaw, Pampers Plant

[Apply Now](#)

Company: Procter & Gamble

Location: Warsaw

Category: architecture-and-engineering

Description

Procter & Gamble Pampers Plant located in Warsaw is looking for candidates for position:

Engineer Trainee

The Traineeship Program is intended to spark high potential in the best students/fresh alumni coming from top Technical Universities. Its successful completion can be a starting point for long-term career and can result in a full time offer in our organization!

Join us for a great development experience!

6 MONTHS PROGRAM

START: IMMEDIATELY

As a Trainee you will:

Enjoy an attractive compensation and benefits package

Have great opportunity to get in touch with practice of production systems

Gain great work experience in the inspirational work environment using leading edge technology and getting to know process engineer role in practice

Develop professionally and personally through coaching, mentoring and very intensive training program.

Become the member of the P&G team and experience a dynamic and international

environment - other plants of the region, technical centers and also often our customers or suppliers

Have the opportunity to join the P&G team full-time following the successful completion of your Traineeship.

We are an equal opportunity employer and value diversity at our company. We do not discriminate on the basis of race, religion, color, national origin, gender, sexual orientation, age, marital status or disability status.

Job Qualifications

We are looking for:

Students of 4th or 5th year of studies at Technical University (Mechanics, Mechatronics, Automation and Robotics, Molding, Engineering, Chemical, Process Engineering, Production Engineering and other similar faculties) who:

Have strong academic results, technical skills and positive attitude towards challenges and change.

Display strong leadership, strategic thinking, teamwork and problem-solving skills; operational discipline and ability to work within diverse organizations and teams

Express willingness to learn, take initiative and show flexibility

Good knowledge of the English AND Polish language

Do you love challenges? Would you like to experience in practice and help improve top-tier production systems in production departments?

We welcome you to apply and join Procter & Gamble for Engineering Traineeship in Pampers Plant!
