Company: Accenture

Location: Kraków

Category: business-and-financial-operations

Meet the CFO & Enterprise Value Team

As a CFO & Enterprise Value professional in the **Intelligent Consulting Hub Europe**, you'll work at the heart of the CFO agenda in areas such as **Digital Transformation Initiatives, Finance & Performance Analytics, Global Business Services (Shared Services)**. You'll use your finance expertise to improve operations, increase revenues, reduce costs, and drive market differentiation for our world-class clients. You'll implement exciting new programs and employ state-of-the-art diagnostic tools to transform an organization from end-to-end.

What will you do?

Accenture is hiring Enterprise Performance Management Analyst / Consultant with relevant experience in Finance Transformation programs, incl. business process definition, functional design, and technology enablement programs focused on planning, budgeting, financial consolidations, and reporting.

Your key areas of responsibility will include:

Interaction with senior client's stakeholders (C-Suite, CFOs, Controllers) to assess customer business needs, identification, and implementation of improvements to existing processes

Helping customers with EPM tools selection and developing implementation roadmaps

Supporting functionally the end-to end implementation of EPM Solutions powered by leading platform providers (SAP Analytics Cloud, Oracle Cloud EPM Planning, Financial Consolidation and Close, Adaptive, Board, or Anaplan)

Who and what we are looking for?

Bachelor's degree

Exposure to one of the following areas: FP&A, Financial Consolidation, Management Reporting at large multinational companies or IT with exposure to Finance functions

Business acumen, good understanding of financial accounting fundamentals and key performance indicators in the CFO organization

Exposure to finance transformation projects will be an advantage

Problems solving and out-of-the-box thinking ability, directed at defining innovative solutions

Ability to work based on objectives and goals

English at professional level; another European language will be an advantage

Working Conditions:

Employment contract (Umowa o pracę)

Headquarter in Warsaw with offices in Kraków, Wrocław, Łódź and Gdańsk.

We are delivering our work mostly remotely but knowing that **Intelligent Consulting Hub Europe (ICH)** way of working is also based on traveling and serving advisory, typically working closely with our Clients in their offices, willingness and ability to work at client's locations mostly across Europe, but also other locations, for short or long term is still required.

What we offer:

Challenging job in a dynamic, professional, international and multicultural environment

Opportunity to gain exceptional on Polish market, skills, knowledge and experience gained on large scale international projects

The unique chance to work in a global network using only state-of-the-art tools and technologies

One of a kind experience with best know-how, with broad access to certifications and

professional industry-recognized trainings.

Very attractive and competitive salary as well as a well-defined career path shaped to the individuals career focus & priorities

Attractive benefits package: Remote/Hybrid way of work, Cafeteria System, Multisport card, Lunch card, Private medical care, Employee Assistance Program, AMEX Gold Card, Lounge Club Priority Pass, Life insurance, Employee referral program and much more...

If this sounds like the ideal role, career, and company for you, please apply online as soon as possible.
