Company: Aptiv

Location: Kraków

Category: computer-and-mathematical

Expert Cloud Operations Engineer

Your Role

Work closely with our Cloud Infrastructure and Dev Ops team to support hand-offs and knowledge transfers from lower environments into the production space.

Participate in the management and monitoring of all cloud infrastructure, including deployments of production and OS updates as needed.

Work closely with application owners to ensure monitoring is scoped, accurate, and actionable for their application's specific needs.

Provide effective communication of projects and tasks within the Cloud Operations team and to organization stakeholders.

Your Background

Key ingredients for succeeding in this role are your:

3+ years of experience with operational support of production workloads

Strong cloud infrastructure experience in one or more environments including Azure, AWS, or GCP

Familiarity with production IoT workloads (device and cloud)

Certifications in AWS, Azure, GCP, or Kubernetes

Strong Linux system administration

Strong understanding of Kubernetes

Excellent verbal and written communication skills and proven ability to work with a range of teams and skill sets

High level of motivation, dedication, initiative and self-starter

Methodical approach to problem solving

Ability to speak, to read and to write English

Experience with Terraform, Ansible, Helm, GitHub, and GitHub actions

Strong understanding of CI/CD pipelines and automation for both infrastructure and code

Experience with Terraform, Ansible, Helm, GitHub, and GitHub actions

Strong understanding of CI/CD pipelines and automation for both infrastructure and code

Why join us?

You can grow at Aptiv. Aptiv provides an inclusive work environment where all individuals can grow and develop, regardless of gender, ethnicity or beliefs.

You can have an impact. Safety is a core Aptiv value; we want a safer world for us and our children, one with: Zero fatalities, Zero injuries, Zero accidents.

You have support. We ensure you have the resources and support you need to take care of your family and your physical and mental health with a competitive health insurance package.

Your Benefits at Aptiv:

Hybrid and flexible work arrangements.

Private health care (Signal Iduna) and Life insurance for you and your beloved ones.

Employee Pension Plan paid by the employer (you get + 3,5% on each gross salary).

Benefit Program including for example sport groups, Multisport card, cinema tickets or discount programs with various manufacturers and retailers.

Smart Office environment designed to be your second home— interactive areas for mixed online and offline presence (touch screen TV's, forum areas, etc.), chill out areas, PlayStation, pool table, garden, library, high-quality coffee, tea, fruits, snacks and drinks.

Meaningful work that makes a difference in the world.

Work in international team - possibility to use English on daily basis in communication with other team members.
