

## Expert Electrical Engineer - Team Leader

[Apply Now](#)

Company: Aptiv

Location: Kraków

Category: architecture-and-engineering

Imagine a world with zero vehicle accidents, zero vehicle emissions, and wireless vehicle connectivity all around us. Every day, we move closer to making that world a reality. Aptiv's passionate team of engineers and developers creates advanced safety systems, high-performance electrification solutions and data connectivity solutions so that automakers can bring advanced capabilities to more people around the globe. This is how we enable sustainable mobility and help to prevent accidents caused by human error.

Want to join us?

### **Your role:**

Design electronic devices for automotive applications with focus on low-cost, high reliability and high volume manufacturing.

Create design documentation (schematics, PCBs, electrical characteristics, etc.).

Circuit calculations and simulations, validation and tests of prototypes.

On-time execution of assigned tasks in compliance with the quality system valid for Aptiv corporation and Technical Center in Kraków.

Co-operation with local and remote engineering teams.

Active participation in peer reviews.

Follow Electrical Design Process.

Continuous development of professional qualifications.

Secure confidential information and company's property.

Technical and organizational mentoring of team members.

Provide an expert knowledge in specific parts of engineering.

Lead team

### **Your background:**

Degree in Electronics or similar

Experience in designing and testing digital and analog circuits with particular focus on microcontroller devices, medium power analog circuits and signal measurement

Experience in electronics design for EMI/EMC compliance

Practical skills in CAD and simulation tools

Good English skills

Leadership and/or communication skills

### **Why join us?**

You can grow at Aptiv. Aptiv provides an inclusive work environment where all individuals can grow and develop, regardless of gender, ethnicity or beliefs.

You can have an impact. Safety is a core Aptiv value; we want a safer world for us and our children, one with: Zero fatalities, Zero injuries, Zero accidents.

You have support. We ensure you have the resources and support you need to take care of your family and your physical and mental health with a competitive health insurance package.

### **Your Benefits at Aptiv:**

Private health care (Signal Iduna) and Life insurance for you and your beloved ones

Well-Being Program that includes regular webinars, workshops, and networking events

Hybrid and flexible working hours

Employee Pension Plan paid by the employer (you get + 3,5% on each gross salary).
