

Global RF Certification Engineer

[Apply Now](#)

Company: Aptiv

Location: Kraków

Category: business-and-financial-operations

As a Global RF Certification Engineer you will manage the certification and compliance process for our innovative family of automotive devices.

You will be responsible for understanding and navigating the technical process to achieve different type of certifications specific to various global markets.

In your daily job you will:

Manage and oversee the certification process for new automotive components, ensuring compliance with global standards and regulations.

Ensure our products comply with required certifications specific to various global markets.

Creating reports as support for the overall projects management.

Support continuous improvement of the right process to assure on-going certification.

Manage the planning of re-certification and launching all needed actions to be compliant with countries certification.

Establish & maintain contacts with certification institutions in each country if needed.

Create and maintain database of certification requirements/homologation.

Your Background

Key ingredients for succeeding in this role are:

Economical Study with well technical understanding or Legal/Technical Study with well

commercial/economic understanding.

Comprehensive understanding of global certification processes with proven experience in that field.

Excellent communication and negotiation skills.

Fluent English language skills.

Ability to work cross-functionally with internal teams, external certification bodies, and testing labs.

Knowledge of automotive industry standards and regulations is a plus.

Why join us?

You can grow at Aptiv. Aptiv provides an inclusive work environment where all individuals can grow and develop, regardless of gender, ethnicity, or beliefs.

You can have an impact. Safety is a core Aptiv value; we want a safer world for us and our children, one with: Zero fatalities, Zero injuries, Zero accidents.

You have support. We ensure you have the resources and support you need to take care of your family and your physical and mental health with a competitive health insurance package.

Your Benefits at Aptiv:

Private health care (Signal Iduna) and Life insurance for you and your beloved ones

Well-Being Program that includes regular webinars, workshops, and networking events

Hybrid and flexible working hours

Employee Pension Plan paid by the employer (you get + 3,5% on each gross salary)

Access to sports groups and Multisport card
