Grading Project (Russian Native Speakers)

Apply Now

Company: Centific

Location: Poland

Category: computer-and-mathematical

Centific brings together data, intelligence and experiences to deliver human-centric solutions to complex business challenges. With over 20 years of Data and AI expertise, we've been helping brands thrive in a sustainable and meaningful way, working to create long-term value and loyal customers for our clients – now and in the future. Our services and solutions include Generative AI, Data Collection, Curation & Annotation, Localization, Digital Fraud & Safety, and Growth Marketing. With clarity of vision, technological expertise, and operational excellence, Centific is the partner of choice for those who want to run smarter - and those who want to change the race.

The Role

We are looking for candidates who have an iOS Device.

ATLANTIS Description:

During this Evaluation project, you will test and evaluate different apps available in the App Store to determine the usability, efficiency and overall user experience and intent. This will be done by analysing the information provided in the App Store.

Purpose:

Thanks to this project, we will improve the way different apps function, in order to enhance the user experience in future versions.

AVALON Description:

During this Internet Judging / Evaluation project, participants will evaluate different music

queries and their results to determine the usability, efficiency and overall user experience and intent.

Purpose:

Thanks to this project, we will improve the way different music streaming apps function, to enhance the user experience in future versions.

Main requirements for both projects:

Must have a valid Apple ID and an iOS device.

Must be a native speaker or very fluent in the Russian language

Must be fluent in English.

Other important information:

We will provide thorough instructions and guidelines to ensure the project is completed successfully.

We offer flexible schedule, although a minimum of 15-20 hours per week is expected.

Being based in-country is compulsory. Please do not apply if your country is not listed, even if you speak the language.
