

Poland Jobs Expertini®

Guidewire Consultant / Functional Lead (ICH Europe)

[Apply Now](#)

Company: Accenture

Location: Kraków

Category: business-and-financial-operations

At Accenture, our Insurance Practice combines deep industry knowledge with digital innovation to transform the insurance landscape, aiding our clients in optimizing operations, enhancing customer experience, and driving growth through cutting-edge insurance platforms and solutions.

Are you familiar with Guidewire Insurance Suite and were a part of Guidewire implementation projects? Then we are looking for you! Don't hesitate and apply now. Your new journey can start today!

We are the biggest consulting company in the world. In such a scale there is one thing which you can expect for sure – constant learning and upskilling. In Guidewire projects, you will have an opportunity to participate in early stages of the Guidewire implementation projects such as Pre-Inception and Inception and most importantly Implementation phase where you will be working closely with our clients – either remotely or onsite – depending on the client preferences.

We build team of people who are not afraid of the hands-on job and are willing to step up as a great leaders and owners.

Of course, for your dedication and efforts you will be very well compensated including our fantastic benefits such as great salary, annual bonus, excellent health, and dental insurance.

In case you need to travel to your client our business travel standards are way above the market. We fly only the best airlines and sleep in the top hotels. Business trip with Accenture is a real pleasure – especially that our per diems are way above the minimum dictated by the law.

We are the team of hard workers, but we like, respect, and support each other every time.

We work hard and play hard. Join us now! Your career can explode immediately.

What will you do?

Drive **digital transformations** by creating technological solutions that will redefine the approach to the insurance sector and positively impact our client's experiences.

Implement and integrate **Insurance platforms** like **Guidewire**, to ensure they are well-integrated into clients' existing systems and optimally configured to meet their specific needs.

Develop innovative solutions in such areas as **Claims, Underwriting**, by brainstorming and using advanced technologies, such as AI (artificial intelligence).

Provide **strategic advice** to navigate digital landscape and make data-driven decisions to drive business growth.

Bring together the best of Accenture Insurance and Technology knowledge to drive new demand, strengthen positioning and accelerate project delivery.

Job Qualifications:

You have hands on experience as a Guidewire BA? Great! You have experience as a Functional Architect? Fabulous! You have experience as a Workstream Lead? Fantastic!

At least 1 year of Financial Services, Insurance or consulting experience.

University degree in job related field or backed with strong industry relevant experience.

Working knowledge of Guidewire Insurance Suite

Project management or business analysis skills, ideally backed with a recognized certification (PSM I, SAFe, PMP, PRINCE2).
