Great People Work Here

Are you searching for a career with bags of variety, in an environment that celebrates differences and empowers collaboration, which values individuals and will encourage you to make an impact? Do you want the freedom to explore, and the opportunities to find new ways and to innovate? If so, TwiningsOvo delivers.

We're looking for people who don't just come here to get the job done, but who have a real passion for the brand and a desire to do the best job they can. In return, we offer an inspiring package of employee benefits - to show just how much we value you. This role will offer you the scope for growth and the tools to aim high.

Twinings Ovaltine (TwO) Hub is a strategic business partner for all TwO business globally. The Hub has been set up in 2022 as centre of excellence for performing and optimising end to end business processes. Hub is currently supporting European and USA business units covering Finance, Procurement and Planning processes. There are ambitious plans of expansion into Asian countries as well as wider into non finance processes in the next 24 months.

HUB Operations Manager would be to become a leader with strong leadership and finance background is required to manage an expanding team offering a wider variety of services to internal clients across multiple geographies and in multiple languages. This position reports to the CFO Twinings Ovo and plays a key role in the structure, transitions and steady state operations of the Hub.
