[Apply Now](#)

Company: Shell Business Operations

Location: Kraków

Category: business-and-financial-operations

Would you like to interact and work with people across the world? Help to deliver excellent support to business clients and internal stakeholders as well as advanced financial and tax operations? We are currently looking for a tax individual who will help us to become the Center of Excellence.

In role of Indirect Tax Specialist, You will be a part of one the world's largest in-house tax organizations.

Responsibilities:

Preparation and timely delivery of accurate indirect tax returns to Tax Authorities, and tax payments initiation,

Performing control checks to identify any errors and anomalies,

Cooperation with other financial teams to ensure that errors in the source data are properly corrected and that remedial action has been taken,

Initiating ideas to improve the existing working processes, leading improvement projects,

Providing assistance for tax reviews and statutory audits purposes,

Maintaining excellent relationships with stakeholders worldwide

Requirements:

We have hope to see as many as of the following as possible on Your CV:

Previous experience with financial operations in corporate environment (preferably Tax, AP, AR, GL)

Master's degree on economics, administration, law, accounting or other finance related areas.

Working knowledge of SAP

Good working knowledge of Word and MS Outlook, Excel, VBA (will be an asset),

Very good English and Portuguese (both written and spoken)

Improvement focus,

Analytical and problem solving skills, strong communication skills

Effective influencing & stakeholder management,

Motivation, passion, enthusiasm to perform at highest standards.

What will we offer you?

Flexible working hours & hybrid set-up,

Comfortable working environment: newly-built modern office with its own canteen, relax rooms, bike & car, parking space,

Attractive benefits package

Package of training sessions addressing your development needs from functional competences to soft skills,

Individual approach to career path,

Unique exposure to highly complex tax issues helping you grow as international tax expert ,

Opportunity to work with experienced tax professionals, specialist from different finance departments, from various countries.

If you don't see yourself fully reflected in every job requirement listed on the posting

above, we still encourage you to reach out and apply. Research has shown that women and underrepresented groups often only apply when they feel % qualified. We are committed to creating a more equitable, inclusive, and diverse company and we strongly encourage applicants of all genders, ages, ethnicities, cultures, abilities, sexual orientation, and life experiences to apply!
