

IT Project Manager

[Apply Now](#)

Company: emagine Consulting

Location: Poland

Category: business-and-financial-operations

Industry : IT

Work model : Remote

Assignment type : 6 months + extensions on B2B

Start: early June

Service Provider will provide Project Delivery Consultant (PDC) for Global Services Team who will be responsible for multiple large and complex billable projects within schedule, budget, quality and contracted deliverables. The PDC is a hands-on individual with a combination of business and technical leadership skills. The PDC will be responsible for reviewing existing and gathering new customer requirements and translating those requirements into technical solutions that solve business issues. The PDC will manage dependencies across internal and external stakeholders and will be experienced in driving the best out of the extended team.

The right candidate will be a self-starter, has previous experience in working with international teams and willing to go the extra mile in meeting client satisfaction and project success.

RESPONSIBILITIES/REQUIREMENTS:

7+ years of experience in IT PM

German language C1/C2

Ensuring Project delivery within the constraints of time, cost, quality and scope.

Assist in the definition of project success criteria and objectives, involving relevant stakeholders and ensuring technical feasibility and desired quality.

Ensure resource availability and allocation. Coordinate internal resources to deliver customer outcomes as sold

Ability to develop detailed project plans to monitor and track the status of Projects.

Demonstrate ability to dedicatedly manage changes to the original project scope, project timeline, and project costs using appropriate verification techniques.

Develop and manage project dependencies. Handle Project issues and risks

Extraordinary interpersonal skills with the ability to partner effectively with other team members of diverse backgrounds and levels of experience.

Knowledge of technology products – Virtualization, Data Centre, Hybrid Cloud.

Deliver Project status reports and presentations in a timely manner.

Craft and maintain comprehensive project documentation.

Collaborate with project managers worldwide to improve PM efficiency.

Proactive in work and ability to manage escalation

WE OFFER:

- Co-financed benefits: Medcover card, Multisport card
- Attractive remuneration in the B2B model depending on your competencies and experience
- Transparently built relations
