Responsibilities

Take part in an **international business initiative** and support **the IT delivery service** one of the main actors in the European Financial Services industry

Continuous learning and skills development thanks to a professional environment which will guide you in exploring the most advanced technologies adopted in the Financial Services industry

Join a **vast multidisciplinary agile team of experts** and support them in the **development of modern microservices applications**

Pick the opportunity to **become part of a growing reality** who will shape your professional skillset and allow you to **evolve quickly within the organization**

Benefits

Motivizer Benefits Platform to choose and manage all your benefits in one place. You receive a budget (550 PLN monthly). You can choose **medical care package, meal tickets, sports cards** (we have Multisport and on preferential terms, we have membership cards to one of the most popular Gyms), **cinema tickets, shop**

vouchers, discounts and many more.

Language Courses – you'll have access to a multi-language learning platform enabling you to practice your language skills and learn new ones!

Regular and systematic further **training opportunities - both internally** and from **external providers**. We support your ongoing learning and development.

Cooperation within **an internal community** is our everyday reality. We have **networking events, coding challenges, and company parties** on different occasions.

Qualifications

We are looking forward to **successfully completed university studies** in computer science or comparable courses of study

Knowledge of **Java** and first experience with **agile development methods** such as Scrum, Kanban, XP, TDD

You are a **strong team player**.

Good knowledge of the **English language** is a must as it is our **everyday language**

You are available to work in **hybrid mode**: both in our office in Katowice and from home. Working from the office includes 2 - 3 days a week.

About Nexi Digital

Nexi Digital is a Joint Venture between Reply and Nexi Group. It delivers cutting edge digital solutions for the Nexi Group, the European PayTech leader. Nexi Digital works with modern technologies, uses agile processes and methodologies, and it operates in a collaborative way with the Nexi Group to contribute to the success of all businesses. Our mission is to support the Nexi Group, to build and operate high-quality, distinctive and timely digital solutions which enable us to deliver value to Nexi's customers across Europe.
