Company: TIP Group

Location: Warsaw

Category: business-and-financial-operations

Job title: Junior FP&A Analyst

Location: Warsaw, Poland

Job type: Entry level / Professional

Opportunities we offer

Do you want to work for a European market leader within the transport industry, where diverse and challenging international opportunities are in abundance, and where strategic growth is core? Then we have many roles available throughout Europe.

Our talented employees come from a diversity of backgrounds and receive competitive benefits packages. Many have reporting lines to our HQ in Amsterdam, a multi-cultural hub where international team spirit is fostered.

We are not just offering a day-to-day job but a long-term professional life.

Successful candidate will:

Be key member of the Financial Planning, Analysis team (TIP HQ FP&A) which is responsible for business planning, management reporting processes and ad-hoc analytics.

Report to the Senior FP&A Manager

Manage and report on capital investments of the group in PP&E (Property, plant & equipment) and Technology

Support development and delivery of monthly Opex reports with related commentary

Participate in month end close activities

Engage in forecasting and budgeting cycles

Qualifications Required:

Bachelor degree in accounting, finance or similar field

At least 2 year experience in finance role

Fluent in English, knowledge of other European language will be an advantage

Experience with financial systems/applications will be an advantage

Good knowledge of MS Office (especially Excel)

Strong analytical and multitasking skills,

Excellent communication skills. Ability to effectively communicate across all levels of the organisation and business functions.

TIP Group

TIP Group is a market leader in providing transportation and logistics customers with leasing, rental and value-added equipment services, keeping customer freight on the move all over Europe. These value-added services range from maintenance, breakdown assistance and damage protection to sophisticated asset tracking solutions. TIP was established in 1968 and since, has progressively increased its size, market share, customer base and services offerings. With more than 50 years of experience, TIP is one of the most trusted and respected names in the industry. Visit TIP's website: www.tip-group.com to learn more.
