Centrala Pepco znajduje się w Poznaniu, gdzie podejmujemy decyzje mające wpływ na całą organizację!

STANOWISKO: Kierownik ds. Raportowania Grupowego

MIEJSCE PRACY:

Poznań, wielkopolskie, PL, 60-479

Group Reporting Manager

We offer:

Work in an international company that is on the Forbes list of the best employers in Poland and is loved by millions of consumers in Poland and Europe.

Competitive salaries and genuine opportunities for promotion - the development of our employees is the cornerstone of our strategy!

Private medical care and preferential life insurance to make you feel secure.

Benefit platform with plenty of opportunities - events, foreign trips, shopping vouchers, etc. - there is something for everyone.

Discounts on purchases at Pepco stores - buy your favorite products at great prices.

Work at the headquarters of a company that operates in 19 European countries - you connect with Lithuania in the morning, spend lunch with Croatia, and have a coffee break

with Italy.

The opportunity to develop English language skills while working in an international environment (see point above).

Numerous free trainings, courses and webinars - we have so much of this that you're sure to find something for you.

Free psychological, legal and financial consultations as part of our employee support program - your well-being is important to us!

A friendly atmosphere and the support of colleagues who are willing to share their expertise - despite the fact that we are a really large organization, we have managed to maintain a pleasant, informal atmosphere.

Work in a unique organizational culture - Pepcoolture, where the mission, vision and values we have developed are the foundations of our daily work.

Your responsibilities will include

Responsibility for reporting the Group's monthly/quarterly/annual financial statements,

Close cooperation with the Group, commenting on results on an ongoing basis, preparing data as requested,

Ensuring the execution of annual statutory financial statements and reports to other external institutions (CSO, NBP),

Responsibility for the preparation of financial information including fixed assets, IFRS 16, cash flow statement and other reports to support business decision making,

Support in the budgeting/forecasting process for selected areas,

Participation in interesting and complex projects within the organization, cooperation with other departments within the organization,

Responsibility for direct management of the team and providing them with development

opportunities.

Our expectations:

Min. 7 years of experience in a similar position and/or in one of the leading audit firms,

University degree in finance,

Practical knowledge of accounting standards, including IFRS, Polish GAAP,

Very good knowledge of MS Office, knowledge of Oracle system will be an advantage,

Advanced knowledge of English,

CIMA / ACCA / or PIBR qualifications - welcome,

Ability to work in a dynamic environment and ability to act in a change management situation,

Multi-tasking and commitment, good work organization, ability to set priorities, strongly developed analytical skills.
