Company: KBR

Location: Poland

Category: computer-and-mathematical

### Title:

LCV EUCOM Poland: Sr. Specialist, Logistics Support

### Program Summary

**KBR** leads the government services world contingency market by providing responsive, full-service logistics support to forces deployed around the world under the **Logistics Civil Augmentation Program contract (LOGCAP)**. KBR's enduring mission support of the **LOGCAP** program dates back to 1992 when we served as the contract's original prime contractor. Today, we have a workforce of over 6,000 people representing 40 nationalities who perform work on the contract in 14 countries.

### Job Summary

As a **Senior Logistics Support Specialist-CRG**, you will be an integral part of a team driving impactful solutions and contributing to global change. Join us in the pursuit of excellence as we strive to be the premier U.S. Government contractor. In this role, you will play a pivotal part in implementing health, safety, and environmental policies while actively engaging in HSE conformity and promoting organizational values.

### Roles and Responsibilities

Report to and receive assignments, instructions, and directions from the Airfield Manager and by extension, the Airfield Management Team in charge of daily operations.

Accomplish short- and long-term departmental goals, projects, and Health & Safety items.

Think with an eye towards innovative and be an agent for change.

Provide movement control support for the surface & air movement of cargo and personnel through the U.S. Military Transportation System.

Analyzing problems and identify possible solutions, using standard procedures, and developing advanced skills.

Assist in the coordination of logistical support functions; adhering to policies, and procedures necessary to provide support in all areas of airfield operations.

Implement and enforce health, safety, and environmental policies, ensuring departmental safety compliance.

Extract necessary data from pre-published schedules/amendments and the preparation of daily schedule.

Coordinate mission planning and requirements with all stakeholders.

Generate incident reports, conduct inspections, and ensure conformity with HSE standards, client, federal, state, and local regulations, as well as KBR procedures.

Review and reconcile manifests, short/over shipments, and air terminal reports.

Ensure all documentation associated with Terminal Air/Ground Handling scope of work are appropriately retained for proper accountability.

Inspect cargo verifying airworthiness, validate pre-load plan weights, dimensions and ensure In-Transit Visibility in accordance with applicable guidance.

Determine and implement necessary safety and security precautions for the handling and storage of hazardous material, special cargo, mail, and baggage for air transport.

Build-up/break-down pallets, multi-pallet trains, prepare rolling stock, build retrograde assets, and weigh cargo.

Operate material handling equipment such as all-terrain forklifts, K-Loaders, and additional material handling equipment.

Select, assemble, palletize, stage and transport cargo load to/from aircraft/storage areas.

Load and unload military/commercial aircraft and linehaul trucks.

Coordinate with customers to ensure desired logistical objectives, priorities, and schedules are met.

Interact with services personnel, clients, subcontractors, and regulatory agencies to research and interpret standards, codes, and regulations.

Work an uncommon tour of duty including nights, weekends, holidays and under strenuous conditions.

Perform other duties as assigned.

**Basic Qualifications** (Required Education, Experience, Skills, and Certifications)

Requires a Bachelor's Degree and at least 3 years of related experience. A High School Diploma and an additional 5 years of experience may be considered in lieu of a degree.

Requires at least 5 years of airfield operations experience.

Must have a strong proficiency in English (reading, writing, speaking, and understanding).

Requires previous experience working on overseas U.S. military facilities/installations.

Must have experience in the loading/unloading of civilian/military aircraft.

Requires experience in military cargo buildup/breakdown, documentation, and marking/placarding.

Must be customer service oriented, knowledgeable.

Requires the ability to work in a fast-paced environment handling multiple tasks at a given time and rapidly adapting to changing priorities and schedules.

Must be able to work in a high stress atmosphere and make cargo and passenger related decisions under pressure of deadlines while maintaining performance standards.

Must have the ability to troubleshoot problem areas in logistics and recommend problem solutions.

Requires excellent organizational and time management skills.

Must be able to communicate effectively with military personnel, understand military flight

information and local governing policies.

Must understand DOD movement terminology and be able to troubleshoot problems in a rapidly changing environment.

Must meet medically fit-for-duty requirements based on contractual stipulations, including lifting of up to 65 pounds.

Must be able to work outside and in areas with potential exposure to extreme climatic conditions, including extended periods of standing, walking, pushing, and lifting.

Must have a valid driver's license from the state of origin with at least 6 months of validity left.

Requires a valid passport with at least 12 months of validity and 6 blank pages.

**Preferred Qualifications**(Preferred Education, Experience, Skills, and Certifications)

Possession or the ability to obtain a Secret Clearance.

Explosive cargo handling experience and the ability to read Air Load Plans civilian/military.

10K/10K-AT forklift (military or civilian) experience and Cargo Loading MHE (25K, 44K, 60K).

Working knowledge of the Microsoft Office Suite.

Ability to perform one or all of the following: Air Load Planning, Hazardous Material Inspection or Joint Inspections.

**KBR Benefits**

KBR offers a selection of competitive lifestyle benefits which could include medical, dental, life insurance, AD&D, R&R, an Employee Support Program and more. We support career advancement through professional training and development.

**Inclusion and Diversity at KBR**

At KBR, we are passionate about our people, sustainability, and our Zero Harm culture.

These inform all that we do and are at the heart of our commitment to, and ongoing journey toward being a more inclusive and diverse company. That commitment is central to our team of team's philosophy and fosters an environment of real collaboration across cultures and locations. Our individual differences and perspectives bring enhanced value to our

teams and help us develop solutions for the most challenging problems. We understand that by embracing those differences and working together, we are more innovative, more resilient, and safer. **We Deliver – Together.**
