P2P Accountant

Location: Piotrkowska 157a, 90-440 Łódź, Poland

Hybrid working

Join Tate & Lyle GSS in Łódź as a **P2P Accountant** ! It's a great opportunity for someone who is motivated to develop in finance & accounting field and processes, has already gained first experience, and is ready to take on new challenge.

How would your role look like?

You will be engaged in performing P2P activities on time to ensure financial data completeness. This role is hybrid in Łódź - if you are from other locations, please consider if it would be possible for you to visit the office from time to time.

You will be responsible for:

Processing invoices and payments in a timely and quality manner as defined by Service Level Agreements and Customer expectations

Assuring process compliance with corporate policies and regulatory guidelines

Assisting in various month end closing related activities

Ensuring and performing formal process documentation and internal controls

Resolving day to day vendor service enquiries, issues and complaints

Support business in solving issues in WF by email, phone and P2P helpline

Seeking opportunities for improving SSC customers experience and contributing to a positive working atmosphere.

What do you need to become successful in this role?

We look for people who will thrive in a changing business and a culture that is evolving day by day – we value curiosity, courage, and a willingness to challenge others constructively.

Good command of the English language, both verbal and in writing

Good Excel knowledge

Finance and Accounting knowledge

Attention to detail and high level of accuracy

Great teamwork and communication skills

Working knowledge of SAP would be an asset

We encourage you to get in touch and apply – We're flexible and would love to discuss what you can contribute and how you can grow into the role.

At Tate & Lyle, we are committed to all our employees being seen, heard, and valued and thus, we value the contributions of people with unique backgrounds, identities, and experiences.

What do we have for you?

As a business operating in 50 countries worldwide, we offer a global rewards package to all employees alongside a range of country-specific benefits. **In addition to the flexible**

working policy, hybrid working model & competitive salary we offer:

Extensive development opportunities and programs (vertical & horizontal promotions, foreign assignments, projects, broad range of internal & external trainings)

Private medical care, including dental care

MyBenefit Platform, including Multisport

Lunch subsidy

Work from home benefits package

Languages assistance program

Personal trainer

Life Insurance

LinkedIn Learning Platform access

Employee Assistance Program (an online platform to support your well-being) and Mental Wellness University

Possibility to participate in various programs & projects, including activities in Charity Team, First Aid Team, Emergency Team, Active Team and Eco Team
