experience with GitLab, JIRA, Confluence

familiarity with Agile Manifesto

experience with billing systems

**Salary range:**

Contract of employment: 10 460 – 16 560 PLN gross/month

B2B contract: 600 – 980 PLN net/man-day

**Extra perks include**

we work in a hybrid model for those based in the Tri-City area; employees based outside the area work fully remotely

home office set up – a one-time bonus for a maximum of 1000 PLN (or equivalent) to help set up your home office space

private medical care for employees and their family members

employee referral program – up to 10 000 PLN for recommending a friend

corporate life insurance

employee pension program (PPE)

flexible working hours and no meeting days – we want to help you to adjust your schedule to your activities

wellbeing and mental health culture – mental health helpline, sport card, yoga classes etc.

modern equipment – most of our teams work on MacBooks

language classes

internal initiatives like webinars, knowledge-sharing sessions, and more!

**Apply and enjoy our fully remote online recruitment process!**

1. **Review stage** We'll check your resumé/CV to screen for various criteria and match your talents with opportunities.

2. **Phone interview**We'd like to get to know you, and vice versa. Let us know why you want to join our team and why you'd be a great fit with us.

3. **Final interview**It's your chance to shine and show that you're the perfect fit for the role. Meet your future manager and see what's in store for you.

4. **Offer** If you have what it takes, accept our offer and — welcome aboard! Join our team and be in great company!

Hania is the recruiter responsible for this process – if you have any additional questions, feel free to contact her!
