

Procurement Lead

[Apply Now](#)

Company: DSJ Global

Location: Poland

Category: office-and-administrative-support

Title: Join the Procurement Revolution - Lead a Team From Anywhere in Poland!

Introductory Paragraph:

Are you an experienced procurement professional looking for your next challenge? DSJ Global is seeking a skilled and motivated individual to join our team as a Procurement Lead. In this role, you'll have the opportunity to lead direct procurement efforts while working remotely from anywhere within Poland.

Responsibilities:

- Develop and execute sourcing strategies across multiple categories
- Manage supplier relationships through negotiation and ongoing performance evaluations
- Collaborate with stakeholders across various departments on purchasing needs
- Mentor junior members of the team

Qualifications:

To be considered for this position, candidates must possess:

Experience leading successful direct procurement programs

Ability to negotiate effectively with suppliers

Excellent interpersonal skills necessary for collaboration both internally & externally

A track record of success mentoring junior staff or developing talent

About Us:

DSJ Global partners exclusively with rail organizations globally specializing in providing innovative solutions that help businesses achieve their goals. This exciting new permanent

remote job offers competitive compensation at £100000 annually along with opportunities for growth! Don't miss out on joining one of Europe's most respected transportation networks today!
