Tired of endlessly chasing the same IT positions? Craving to spread your wings in a top, global IT consulting environment? Dream of being seen as a valued, trusted partner, who crafts and executes recruitment strategies, which directly impact our success? At Westernacher Consulting , a global leader in SAP consulting, we're seeking a talented individual to spearhead and lead a brand-new recruitment division. Here is what awaits you:

- Mentorship** : Gain invaluable insights into SAP recruitment, our company culture, and organizational needs with dedicated mentorship every step of the way.
- Supportive Environment** : Thrive in an atmosphere of open communication, trust, and regular feedback, fostering personal and professional growth.
- Ongoing Training** : Access extensive SAP recruitment know-how and continuous on-the-job training to stay ahead in your field.
- Career Development** : Unlock a plethora of opportunities for advancement within recruitment and employer branding, empowering you to shape your own career path.
- Resources** : Utilize top-notch recruitment tools, software, and licenses to streamline your processes and maximize efficiency.
- Internal Network** : Leverage our vast internal referral network to tap into a pool of top-tier talent.
- Flexibility** : Enjoy flexible working hours and remote work options, enabling you to achieve a healthy work-life balance.
- Competitive Benefits** : Receive a comprehensive remuneration package, including competitive salary, bonuses, gym allowance, etc. What you should bring to the table:

- Positive Attitude** : Bring a proactive, can-do attitude to the table.
- Determination** : Demonstrate motivation and determination to excel in your role.
- Communication Skills** : Fluent in English and German, with exceptional communication abilities across various consultant levels and cultures.
- Problem-Solving Skills** : Exhibit

strong prioritization and quick-thinking abilities to provide effective solutions to hiring managers and candidates. Analytical Mindset : Possess excellent research and analytical skills to identify top talent. Continuous Learning : Embrace a desire for learning, experimenting with new approaches, and constant self-improvement. IT Recruitment Experience : Previous experience in IT recruitment is required, with SAP recruitment experience being a definite plus. Ready to take the next step in your recruitment career? Don't miss this opportunity! Apply now and embark on a rewarding journey with Westernacher Consulting . Powered by JazzHR
