About Team Internet

As a leading global internet solutions group, we're transforming the way businesses, brands, publishers, and consumers connect online. Our vision is to create meaningful and successful connections: businesses to domains, brands to consumers, publishers to advertisers and beyond, enabling everyone to realise their digital ambitions.

By combining innovative digital businesses and products with passionate and talented people, we empower our customers and partners to run, secure and optimise their online activities whilst shaping the future of digital connectivity. Leveraging nearly three decades of experience, we fuel innovation and sustainable growth, earning trust from small enterprises through to some of the world's largest organisations to unlock the boundless potential of their online presence and marketing investment.

From domain transactions and running online businesses, to securing online brands, monetising high-quality intent-based traffic, optimising digital marketing and facilitating

product comparisons, everything we do for our stakeholders and their communities is about shaping connections that thrive.

Team Internet is committed to building a better world. Our company strategy incorporates the principles of corporate social responsibility and sustainability, which help to guide our relationships with clients, people and the communities and environment in which we operate. Through our ESG strategy we think beyond profit and take into account our broader impact on the environment, society, and ethical practices. This way, we can create a more sustainable and responsible approach to our operations, which brings positive outcomes for both the company and the world around us.

Headquartered in London and with exceptional people the world over, Team Internet has been recognised in the FT1000 list as one of the top-50 fastest-growing tech companies in Europe and has also been included in the FTSE AIM UK 50 and AIM 100.

We are Team Internet. We are the architects of a better-connected world.
