SAP BI Analytics - Eastern Europe - Remote

Here at RED, we are looking for an SAP BI Analytics with strong SAP BI/BW experience to start on an S/4 HANA Implementation project for one of our global end clients.

The consultant is expected to start ASAP and for an initial 8 months contract with a possibility of extension. The project will be a remote position.

Desired skills:

10+ years of SAP BI/BW experience

4 + years of experience doing SAP Analytics

Extensive experience in implementing and maintaining SAP BW4HANA, Embedded Analytics (CDS Views) & BO (WEBI, LUMIRA, AFO, or any other BI Tool).

Good knowledge of functional modules like MM, PP, PM, QM, and EWM

Previous Pharmaceutical experience is nice to have

Spanish or French speaking is a bonus

Kind regards,

Mike
