

SAP BI/BW Consultant (m/f/d)

[Apply Now](#)

Company: SWISS KRONO Group

Location: Poland

Category: business-and-financial-operations

SAP BI/BW Consultant (m/f/d)

Hybrid or remote

The SWISS KRONO Group is one of the world's leading manufacturers of wood-based materials and stands for sustainable and innovative solutions in the fields of interiors, flooring and building materials. Founded in 1966 as a family-owned company, the Group now employs around 5,000 people at ten production sites in eight countries around the globe.

Our headquarters are located in Lucerne, Switzerland. In our international environment you can develop your personal strengths and advance professionally.

We focus on the best - for our employees and customers.

This is how we create wood in top form.

SWISS KRONOs key success factor is the continuous optimization and automation of management and operational reporting. This requires a deep knowledge of the integration between business processes, generated transactional data and reporting tools. The job holder shall provide professional consultancy in the area of SAP S/4HANA Embedded Analytics, SAP BW/4HANA, SAP Analytics Cloud and/or comparable reporting tools to support SWISS KRONOs business strategy.

Our offer:

Professional onboarding and close collaboration

Stable international business environment in a market leading Swiss family owned company

Opportunity to work remote

Professional and personal development opportunities

Personal benefits like e-bike leasing and pension plans

Your tasks:

BI/Reporting consultancy: process analysis, conception and implementation of Analytics solutions

Analysis, design, development and extension of virtual data models for Analytics in S/4HANA (ABAP CDS Views, Analytical Fiori Apps)

Analysis, design, development and extension of virtual and physical data models in BW/4HANA

Design and development of Analytics solutions in SAP Analytics Cloud

2nd level Support of our group wide SAP system landscape in the area of BI/Reporting

Training of end users and enabling them to work efficiently with SWISS KRONOs reporting tools

Your profile:

Professional experience in conception, definition, customizing and development of Analytics solutions using SAP BW or BW/4HANA

Experience working with S/4HANA Embedded Analytics in the role of Analytics specialist or Key User

Degree in Business Computer Science or Business information technology or comparable experience

ABAP and/or SQL Script Development skills are a plus

SAP Analytics Cloud (SAC) knowledge is beneficial

Experience with processes in manufacturing companies

SAP BW/4HANA and/or BW on HANA

S/4HANA Embedded Analytics

ABAP CDS Views, Analytical Fiori Apps, SAP Analysis/ Office

English (B2 or higher), German is a plus

We look forward to hearing from you!

Welcome to the SWISS KRONO family. Challenging tasks in a successful international company, a multicultural working environment, flat hierarchies and excellent development opportunities are waiting for you here.

Interested in this challenge?

We are happy to receive your application including your salary expectations and potential starting date.
