

SAP SuccessFactors Consultant

[Apply Now](#)

Company: LeverX

Location: Poland

Category: business-and-financial-operations

LeverX is looking for SAP SuccessFactors Consultant. Don't miss this exciting opportunity to gain experience working with a global IT partner.

REQUIREMENTS

Bachelor's degree in Business, Computer Science, Math, Engineering, or equivalent discipline required.

Knowledge of time management and payroll domains in Poland's legislation.

A minimum of three years prior professional consulting or equivalent industry experience in the design and development of HCM solutions.

At least three years of recent hands-on systems configuration experience within the SAP SuccessFactors or SAP HCM.

Strong communication and presentation skills.

Strong ability to facilitate discussions and negotiate mutually beneficial solutions when necessary.

Willingness to travel to client locations.

At least Upper-Intermediate English.

RESPONSIBILITIES

Work directly with clients at all different levels to guide complex projects and develop innovative solutions.

Focus on business process re-engineering efforts and technology enablement.

Earn trusted client status and build relationships that extend beyond the project's lifecycle.

Apply strong knowledge of human capital management processes and SAP technology to help clients achieve business objectives.

Facilitate solution architecting workshops with business managers, client staff, and end-users to determine functional requirements.

Configure SAP HR and SuccessFactors systems to meet client business requirements.

Conduct knowledge transfer and training of end-users, including sharing best practices.

Provide leadership to junior systems analysts and client personnel assigned to projects.
