

Security Compliance Specialist II - Remote - Poland

[Apply Now](#)

Company: Akamai

Location: Poland

Category: business-and-financial-operations

Do you relish the prospect of working with cutting-edge web security platforms?

Would you enjoy translating security compliance into business and product requirements?

Join our global Information Security team!

The Security Compliance team works to improve Akamai's overall security posture and that of our customers. Security Compliance cooperates with internal and external stakeholders to undertake compliance programs associated with external security standards. The staff works with external auditors, consultants and standards bodies.

Partner with the best

You will help to deliver compliance programs to demonstrate the security of Akamai's distributed network and products. You will work with the Security Compliance team along with our stakeholders to support compliance operations.

As a Security Compliance Specialist II , you will be responsible for:

Creating detailed analysis to support compliance efforts, including detailed written reports, as well as presentations

Investigating potential issues and developing potential solutions by working collaboratively with stakeholders

Drafting governance documents to support and align with security initiatives and regulatory compliance

Working independently and comfortably in ambiguous or less well-defined circumstances to

develop clear analysis

Building on existing successful programs to facilitate maturing operational processes & metrics

Do what you love

To be successful in this role you will:

Have familiarity with the Internet and large scale technology companies

Demonstrate passion for learning about security and compliance

Have the ability to work on multiple concurrent tasks, and prioritise tasks to maximise productivity

Demonstrate analytical and problem-solving skills

Experience with industry compliance and security standard - nice to have (e.g., PCI, ISO, SOC 2, FedRAMP)

Work in a way that works for you

FlexBase, Akamai's Global Flexible Working Program, is based on the principles that are helping us create the best workplace in the world. When our colleagues said that flexible working was important to them, we listened. We also know flexible working is important to many of the incredible people considering joining Akamai. FlexBase, gives 95% of employees the choice to work from their home, their office, or both (in the country advertised). This permanent workplace flexibility program is consistent and fair globally, to help us find incredible talent, virtually anywhere. We are happy to discuss working options for this role and encourage you to speak with your recruiter in more detail when you apply.

what makes Akamai a great place to work

Connect with us on social and see what life at Akamai is like!
