

Senior Android DevOps Engineer - Platform team (Krakow, Poland)

[Apply Now](#)

Company: Dyson

Location: Kraków

Category: computer-and-mathematical

About the Role

The Mobile Platform Engineer is responsible for ensuring the build, test and release platforms are up to date, stable and loved by our App feature development teams.

The role would suit someone with an Android background that really enjoys the CI side of things. You will be enjoying creative thinking to solve daily challenges while adhering to good software design principles.

Requirements:

Expertise in implementing and improving CI/CD pipelines for native mobile Apps

Experience with Android build optimisation using Gradle

Experience of building native Android apps with Kotlin

Experience of working in Scrum or Kanban

Preferably experience of Bitrise or similar

Preferably experience with Docker or similar container technologies

Experience of optimising and fixing Espresso Tests and Junit tests

Excellent communication skills (written and verbal) and interpersonal skills

Excellent analytical and problem-solving skills

Responsibilities:

Refining, estimating and planning work as part of a scrum team

Keeping the Android platform up to date by performing Android Platform version upgrades

Upgrading third party libraries and updating gradle to ensure we can move build on the latest platform version

Ensuring our Espresso tests platform supports most popular customer android platform versions and devices

Configuration of productivity, code quality and security tools such as SonarQube and BlackDuck

Creating, improving and monitoring our CI/CD workflows and ensure smooth and error-free environments which stay within our KPIs for duration, queue time and stability, developer productivity, deployment time

Being the point person for any questions and concerns regarding the Android CI/CD flow and build requests

Benefits

Financial:

Performance related bonus

Life Assurance

Accidental Death and Dismemberment Insurance

Pension scheme with competitive employer contributions

Recognition Program

Holiday Allowance

Lifestyle:

Free fruit delivered for office staff, free coffee and tea

Cafeteria Benefit – wellness programme, cinema tickets, Multisport card etc.

Possibility of working from home

Health:

Medical: Employee cover + opportunity to buy additional cover for family

Employee Assistance Program for employee and dependents

Dyson is an equal opportunity employer. We know that great minds don't think alike, and it takes all kinds of minds to make our technology so unique. We welcome applications from all backgrounds and employment decisions are made without regard to race, colour, religion, national or ethnic origin, sex, sexual orientation, gender identity or expression, age, disability, protected veteran status or other any other dimension of diversity.
