[Apply Now](#)

Company: Devire

Location: Poland

Category: business-and-financial-operations

### Your future company

For our Client - developing SSC based in the center of Poznan we are looking for a Senior Costing and Finance Analyst. This is a new role in the organization.

### Requirements

Bachelor's degree in Accounting, Finance, Economics, or equivalent.

7+ years of relevant finance experience in manufacturing/ SSC.

Knowledge about **actual costing**.

Experience as a Financial Controller, Supply Chain Analyst, Finance Analyst etc.

Fluent English (C1, C2) and proficiency in Microsoft Excel.

**SAP experience**(AP, AR, Inventory modules) preferred.

Strong analytical skills and attention to detail.

Proactive and solution-oriented team player.

### Responsibilities

Execute, analyze, and control **actual costing** processes, addressing variances as needed.

Integrate price variances related to finished goods into stock.

Control material master data, pricing, billing, purchasing, and internal orders.

Work with Standard Cost methodology and ensure data reliability.

Collaborate with HQ Finance, Manufacturing Finance, and other teams on costing processes.

Participate in month-end closing activities.

Improve finance processes and documentation.

### **The offer**

Continuous learning opportunities and smartworking options.

Attractive benefits and participation in Corporate Social Responsibility activities.

Dynamic environment with opportunities for personal and professional growth.

Commitment to a healthy and safe working environment.

Real influence on business decisions, expert position.
