

Senior Financial Analyst (Commercial division)

[Apply Now](#)

Company: Devire

Location: Kraków

Category: business-and-financial-operations

Your future company

For our client - A global company from production industry, we are currently looking for Senior Financial Analyst for Commercial division.

3 days per week working from office :)

Requirements

Minimum Qualifications:

Possession of an Undergraduate Degree in Accounting, Finance, or a related field.

Accumulated 5 or more years of pertinent experience in roles such as Planning & Analysis or Controlling.

Proficiency in English, demonstrated through strong written and verbal communication abilities.

Preferred Qualifications:

Demonstrated capability in fostering robust cross-functional relationships.

Exhibit strong analytical prowess and organizational acumen.

High proficiency in utilizing MS Excel and PowerPoint.

Meticulous attention to detail coupled with the capacity to work autonomously.

Comfortable navigating through uncertain situations; adept at self-management; epitomizes accountability.

Driven by results, proactive in approach, and characterized by a high standard of integrity.

Responsibilities

Assist the Corporate Account Sales Team directly through: Crafting customer P&Ls and conducting other analytics to evaluate both new prospects and current business ventures. Offering suggestions regarding pricing, incentive schemes, and commercial policies to foster expansion.

Collaborate closely with Corporate Account Sales associates to grasp and convey the repercussions of their sales endeavors, while also pinpointing avenues for boosting sales further.

Perform intricate financial analyses.

Furnish assistance, spontaneous reports, and analyses to both internal and external clientele.

Spearhead initiatives for process enhancement and the implementation of optimal practices within the commercial finance unit.

Undertake project assignments and diverse ad hoc analyses as necessary.

The offer

In-person training presents a platform for personal development, career advancement, and skill refinement.

Comprehensive medical coverage extends to you and your family, ensuring peace of mind.

Subsidized lunches are provided for our onsite canteen, promoting convenience and well-being.

Engage in various social gatherings, including family-oriented events and charitable auctions, fostering a sense of community and giving back.

Receive competitive compensation aligned with your expertise and capabilities, alongside additional financial perks like an annual bonus.

Enjoy a comfortable work atmosphere complete with amenities such as a library, relaxation area, relaxed dress code, and air purifiers.

Embrace a hybrid work model that blends remote and in-office work, offering flexibility and adaptability.
