Senior Java Software Engineer

Apply Now

Company: SoftServe

Location: Poland

Category: computer-and-mathematical

WE ARE

SoftServe is a leading global digital service and consulting company, founded in 1993. We collaborate with clients across the USA, Europe, APAC, and LatAm regions, delivering innovative technology solutions to transform, accelerate, and optimize their businesses. Thousands of our authentic professionals work on 2,000+ projects, ensuring successful outcomes and well-balanced lives.

Solutions Center of Excellence is a team of software architects under the CTO office umbrella. We are a companywide group which assists projects from different verticals and units by covering software architecture-related activities and driving technical leadership and excellence.

IF YOU ARE

Experienced in Java 8+, Spring Boot, Microservices

Skilled in SQL and databases

Aware of data structures, algorithms, and object-oriented design (OOD)

Understanding Git, any CI/CD tools, and Docker

Ready to take on new technologies and projects, as you are a fast learner

A team player, with a motivated approach

Capable of covering everyday communication with the client and international team at the

Intermediate English level

AND YOU WANT TO

Have exposure to many projects from different business domains

Design and develop new features in the latest Java-related technologies

Analyze customer requirements and propose new solutions based on your experience

Have a flexible work schedule from home or office

TOGETHER WE WILL

Support your technical and personal growth — as we have a dedicated career plan with clear promotion criteria to become a software architect

Belong to the community of architects who will help in your everyday work, your professional growth and promotion

Work as a team with experienced software architects

Take part in internal and external events where you can build and promote your personal brand

Care about your initiatives — we are open to them, just come and share your ideas

Share many other advantages: attractive salary, a package of benefits (Cafeteria, LuxMed, Life insurance), language classes
