

## Senior Product Designer

[Apply Now](#)

Company: Saleor Commerce sp. z o.o.

Location: Poland

Category: other-general

Hello there! This is Saleor Commerce- fasters growing open-source commerce platform for global brands. We empower developers and designers in creating exceptional products and looking for people that have a strong product vision and passion for outstanding UX. Our company culture encourages creativity, ownership, and freedom for experimentation.

Reporting to the Head Of Product, the Senior Product Designer will singlehandedly support the research and design of new and existing opportunities. This will be achieved through managing the design lifecycle from start to finish and establishing best design practices with the engineering team. The Senior Product Designer is responsible for a wide range of activities including product research, UI design and leading the design part of the business. Skills required to do this role effectively include strong ownership, and communication with both your immediate and wider team. During the next 12 months, you will: Design and test new functionalities based on understanding of consumer insight, the market and business objectives Promote excellent cross-functional communication between the product teams and senior stakeholders Infect people with hunger for great UX, seamless user flows and understanding the “ why?” Set Saleor design standards, goals, and ambitions Also to be successful in this role at Saleor you need to: challenge and disagree in a respectful way question what you know, and be comfortable talking about it be a good team player be comfortable giving and receiving feedback Your work will involve: working on our interfaces for big clients usability and structure of docs visualising the business processes talking with people and sharing your ideas extensive emoji and GIFs usage Perks and benefits: 26 paid days off (+nationals holidays) All necessary equipment (we all work on

MacBooks) and softwares Personal development in the fast-growing industry powered by the latest technologies Flexible working hours with the remote work Company off-sides every quarter to visit our HQ and work with you team mates... ..And much more! Hit the APPLY button and start your adventure with us! Have any question? Hit up our People and Culture Specialist Gabi by sending e-mail . Powered by JazzHR
