

Senior React Developer

[Apply Now](#)

Company: IT-Leaders

Location: Poznań

Category: production

At G-Group software house, we have one mission – create advanced B2B systems and applications for specialist business areas. And we have the knowledge and skills to make it possible. Our expertise wasn't built overnight. It's the 14 years of experience, talented team members, and hundreds of created web applications that allowed us to develop the know-how we are proud to share. What do we expect from you: Minimum 5 years of commercial experience, Very good knowledge of JavaScript, Very good knowledge of CSS/SCSS/LESS, Knowledge of state management (Redux, React Context, MobX), Knowledge of Agile and Scrum methodology, English at a minimum level of B2. What will you do with us? Take an active part in the design process and analysis of design requirements, Perform code review, Propose new solutions, Work in a cool, well-coordinated team :) What we offer: Salary up to 23, net + VAT (B2B) - employment in UoP is also possible, Developer-centric approach - you've got a power to choose a project you join and change it whenever it suits your needs, Close cooperation with a Leader, whose main responsibility will be to focus on your G-growth, Regular pay rise processes - twice a year! Casual atmosphere and team support, Flexibility - possibility of total or partial remote work, The ability to shape the flow and life of our organization, transfer your own ideas and implement them, Work in a place where every sentence counts, Co-financing for private medical care and the MultiActive card, A work culture based on trust and transparency, Convenient location in the center of Poznań. Our recruitment process: Screening call | Interview | Offer
