

Site Reliability Engineer

[Apply Now](#)

Company: Moon Active

Location: Warszawa

Category: architecture-and-engineering

Moon Active, a mobile games company with millions of daily active players worldwide is looking for a Site Reliability Engineer to join our team and to help create awesome games at a company that puts quality at the forefront.

You will support production activities to sustain our platforms & tools, troubleshoot, develop, maintain, and document technical solutions related to Moon Active's production infrastructure.

Responsibilities:

Ongoing monitoring and control of the availability of the different services of the production 24/7;

Monitoring and detecting problems in the production environment, as well as 1st and 2nd tier infrastructure and application troubleshooting;

Work within Operations with interfaces to Product, R&D and Support teams to escalate, troubleshoot and resolve complex issues;

Ensure proper documentation is provided for all supported SRE activities and standards.

Requirements:

Experience with Linux based systems;

Scripting experience (Python/Bash/etc.);

Basic monitoring experience;

Good communications skills;

Troubleshooting and problem-solving skills;

Ability and motivation to work in a team and in rotating shifts 24/7 (~3-6 night shifts a month).

Proficiency in English.

Advantages:

Be familiar with AWS/GCP (or other cloud providers);

Experience with monitoring tools and vendors such as Prometheus, Grafana, ELK, NewRelic, SignalFx, CloudWatch, DataDog, etc;

Experience with SQL;

Experience with IaC (Terraform);

Experience with distributed systems, containers and Kubernetes.

Benefits:

Join a global, data-driven company with a unique product and a strong R&D center;

Work in an exceptional, innovative, and dynamic environment;

Enjoy full transparency and open communication with colleagues;

Take advantage of tremendous opportunities for growth and career advancement

Influence and help build personalized product experiences for millions of users.

We offer:

Generous compensation; paid vacation and sick leave;

Comprehensive medical and life insurance for you and your family members;

A MultiSport Plus card for fitness enthusiasts;

Comfortable office located on 20, Prosta street, Warsaw;

Free daily breakfasts and lunches, as well as a fully stocked kitchen with snacks and fruits;

The latest tech equipment, including macOS devices;

Training & Development/Tuition reimbursement;

Friend Referral Program with generous bonuses;

Friday Happy Hours and team gatherings to foster a fun and collaborative workplace culture;

Relocation bonus for non-local candidates;

Car parking.

We would like to provide you with a supportive and rewarding work environment, along with opportunities for personal and professional growth. We believe in investing in our employees and creating a workplace that promotes innovation, creativity, and collaboration.
