

## Supply Chain Management Analyst (ICH Europe)

Apply Now

Company: Accenture

Location: Kraków

Category: other-general

**Supply Chain Management (SCM)** is a team of experts specializing in **SC Planning** and **Fulfilment processes** and **SCM supporting IT tools**. We lead our Clients in complex SC transformation journeys starting from the TO BE state vision, guiding them through IT solution development and supporting Change Management efforts. All of this in alignment with other ongoing inter-related projects.

### What will you do?

You will work on implementation projects for our international clients

You will be part of the team responsible for the **Supply Chain Strategy** Operating Model definition, Inventory Management, Network Strategy, and many more

You will gain knowledge about the most in-demand **SCM IT solutions**, you will work as a functional consultant and you will be responsible for their implementation through all project phases: analysis, design, build, test, deployment.

### Who and what we are looking for?

We are looking for **Analysts** with solid knowledge of Supply Chain and experience in one of the following fields:

Business Model Development

Production Planning and Detailed Scheduling

Supply Chain Planning Strategy

Collaboration, Inventory Management

Order Fulfillment Planning

Master Scheduling

Sales and Operations Planning

With experience in:

Implementing or at least Super User role of one of the Supply Chain Planning Systems: Kinaxis, o9, Blue Yonder, OMP, E2open, Tools Group, Manhattan, Korber WMS, IBM streeling OM

WMS or TMS implementation

Project delivery experience

Strong analytical skills

Minimum bachelor's degree

Excellent English communication skills (written & spoken) and good level of the other foreign language e.g. German, Italian, Russian, French, Spanish, would be an asset

Excellent communication (written and oral) skills and excellent presentation skills

Excellent teamwork and ability to work in distributed delivery environment

**Working Conditions:**

Employment contract (Umowa o pracę)

Headquarter in Warsaw with offices in Cracow, Wroclaw, Lodz or Gdansk

We are delivering our work mostly remotely but knowing that **Intelligent Consulting Hub Europe (ICH)** way of working is also based on traveling and serving advisory, typically working closely with our Clients in their offices, willingness and ability to work at client's locations mostly across Europe, but also other locations, for short or long term is still required.

**Our offer:**

Challenging job in a dynamic, professional, international and multicultural environment

Opportunity to gain exceptional on Polish market, skills, knowledge and experience on large scale international projects

The unique chance to work in a global network using only state-of-the-art tools and technologies

One of a kind experiences with best know-how, with broad access to certifications and professional industry-recognized trainings.

Very attractive and competitive salary as well as a well-defined career path shaped to the individuals career focus & priorities

Attractive benefits package: Remote/Hybrid way of work, Cafeteria System, Multisport card, Lunch card, Private medical care, Employee Assistance Program, AMEX Gold Card, Lounge Club Priority Pass, Life insurance, Employee referral program and much more...

**If this sounds like the ideal role, career, and company for you, please apply online as soon as possible.**
