Company: SoftServe

Location: Poland

Category: other-general

WE ARE

SoftServe is a team of thinkers and doers, true professionals, and good people, solving business challenges with innovative technology solutions. You can meet SoftServians everywhere from the to Singapore.

We are a team of 1,000+ people in Poland, experienced in the fields of AI, VR, Machine Learning, Big Data, DevOps, Cloud, core software development, and many others.

Our mission is to enable talented people to change the world and help them achieve their career goals. That's why we also share our educational opportunities with people outside the company. Technical Skills Assessment & Career Guidance is our new initiative providing an opportunity to engage in sessions with our expert technical team and receive advice on HR and recruitment matters.

This initiative offers participants the chance to acquire valuable insights into the technical interview procedure, along with receiving constructive feedback from experienced professionals. Additionally, attendees will have the opportunity to enhance their skills in handling challenging interview questions and receive guidance on optimizing their CVs to align more effectively with job opportunities.

IF YOU ARE

An experienced Software Engineer (Intermediate+ level), demonstrating 3+ years of experience

Possessing practical knowledge of the latest technologies, yet facing challenges in technical and HR interviews

Working with one of the following areas: Java, iOS/Android, DevOps, Big Data or Front-end

Capable of communicating in English at the B2 level

AND YOU WANT TO

Gain valuable insights into the technical interview process

Receive constructive feedback from our seasoned experts on your programming abilities and tips for improvement

Have an HR chat to discuss your experience

Learn how to answer difficult questions during an interview

TOGETHER WE WILL

Boost your chances of acing job interviews – let's get you your dream job!

Provide you with practical guidance and feedback on your programming skills, your strengths, and areas for improvement

Show you how to improve your CV to attract recruiters' attention and better match it to job offers

Count on constructive feedback and suggestions tailored to your performance

Help you enhance your skills and boost your confidence for future interviews

Look at our company's culture, the exciting projects we work on, and network with our experts

Equip you with the skills and insights you need to stand out from the competition

Unleash your potential! We believe in your abilities and want to help you reach new heights in your career
