

## Test Manager

[Apply Now](#)

Company: YourITeams

Location: Warsaw

Category: computer-and-mathematical

We are looking for a Test Manager, who will be ultimately responsible for test planning, test execution and delivery of all QA and testing activities.

### Duties

Apply practical test automation experience and scripting best practices

Collaborate with leaders of other technology or business functions and platforms including architecture, strategy, operations and vendor partners to understand and deliver QA capabilities.

Own direct accountability for QA solution development that meets scope, quality and timing of projects.

Provide technical and thought leadership for enhancing existing test automation framework and promote shift-left testing with the help of automation

### Requirements

Minimum of 5 years of experience in directly managing test automation teams

Minimum of 3 years of experience in directly managing performance and load testing resources

Previous experience in managing testing teams responsible for application quality on mobile and cloud platforms

Project experience in sharing and integration with public registers or electronic signature solutions (podpis elektroniczny)

### Offer

- Stable employment. International projects for Global Fortune 500 companies.
- Indefinite period contract, without a non-competition clause.
- 100% remote work. You can choose to work from any place in the world
- Flexibility regarding working hours. Autonomy to choose the way you work. We trust you.
- Annual Training&Development Budget, upskilling support, capability development programs
- Cooperation with top-tier engineers and experts.
- Unique TEAL culture, relationship- and respect-driven community, non-corporate atmosphere
- Agile approach and no bureaucracy
- Create our community together. Refer your friends to receive bonuses (8 000 PLN)
- Outstanding integration trips to various places in Europe for all employees.
- Activities to support your well-being and health. Luxmed Gold Extended medical care and Multisport Plus benefit.
