

Underwriting Analyst (Poland/remote)

[Apply Now](#)

Company: ZEN.COM

Location: Kraków

Category: business-and-financial-operations

Are you looking for an opportunity to work in rapidly growing startup that does meaningful work? Or maybe you're tired of the mundane cubicle jobs and want to join a friendly, passionate team with limitless potential? If so, we may be the business for you!

We are looking for **Underwriting Analyst** to work close our **Financial Crime Operations department**.

If you have:

A minimum of one year's experience in the underwriting area

Strong understanding of underwriting processes, guidelines, and regulatory requirements

Excellent analytical and problem-solving skills

Strong organizational and prioritizing skills

Excellent communication and interpersonal skills

Business and technical knowledge of the products and services provided by the company

Your daily duties will be:

Analyzing new business applications to determine risk factors and pricing insurance policies accordingly

Reviewing and evaluating e-commerce merchant applications

Evaluating the goods and services offered by the merchant, its online presence and reputation

Evaluating business models and propose criteria and underwriting flow for new verticals

Assessing merchant's financial position

Setting merchant collateral to mitigate financial risk

Maintaining current knowledge of industry regulations and standards

Reviewing applications and working with customers to gather additional information / documentation if needed

Researching claims history to determine whether claims were filed in the past or if there are any indications of fraudulent activity

Collaborating with internal teams to streamline underwriting processes

We offer:

Future career opportunities with international exposure

A supportive and diverse environment that allows our employees to thrive and learn

Flexible working hours

Private medical healthcare

Motivizer card

Internal and external trainings
