22.04.2024

If You have good experience as a UX/UI designer, we would like to invite You to join our growing Neti team We are building next-generation solutions for the new decentralized world of data and we are currently hiring UX/UI designers passion about WEB3

Czego oczekujemy?

Successful candidate should have:

Passion for Blockchain/web3

Minimum of 3 years of experience in UX/UI design, preferably in the Crypto or Gaming industries

Ability to work with the team on setting new goals and achieving them on time

Experience in creating wireframes, prototypes, and high-fidelity mockups using tools like Figma

The ideal candidate will have a keen eye for detail, a passion for user-centered design, and the ability to think creatively to solve complex design problems

Additionally, you will participate in design reviews, usability testing, and iterate designs based on feedback to ensure the best possible user experience

Focus on the outcome and being a great problem solver

Willing to work directly with product managers, engineers, and other stakeholders to understand user needs and business requirements, and translate them into wireframes, prototypes, and design mockups.

Willing to cooperate with our clients (we will also provide you with plenty of opportunities to get involved with research and development efforts)

English language at an advanced level (min. B2)

This is a great opportunity to gain valuable experience in the fast-emerging blockchain industry, if you believe you are a good fit, please do not hesitate to get in touch or send a CV and **Portfolio showcasing previous design work, including wireframes, prototypes, and design mockups.**

Co możemy Ci zaoferować?

What can we offer?

Continuous development of competences (co-financing of training, knowledge exchange)

Cutting Edge Technologies

BlockTrain Workshops

Attractive salary

Flexible form of employment

Flexible working hours

Possibility to work half-time / part-time

Remote or hybrid work

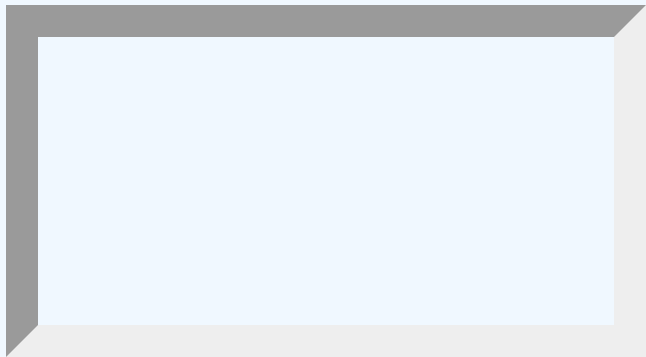

A good team and a friendly atmosphere

No dress code, no corporate habits

...and if you work from an office:

Delicious coffee / tea are waiting for you in the kitchen
