

Video Games Tester - Warsaw & Poland

[Apply Now](#)

Company: Lionbridge

Location: Warsaw

Category: other-general

Do you want to improve and influence games with us? Test them before release. You can check the titles that none of your friends have ever played before — from Indie to full-fledged AAA games from well-known publishers.

What's in it for you:

Contract of mandate;

Access to cutting edge technologies and the latest equipment;

Opportunity to gain experience and skills in the field of functional test methodology and techniques;

The chance to see your name in the credits of the game;

Fantastic atmosphere with no dress code and a team full of like-minded people;

Attractive office location (15 minutes from the city center by public transportation, WKD/SKM station nearby) with access to free parking for cars and bicycles;

Plenty of office benefits, including fresh fruit on Wednesdays, unlimited beverages and access to outdoor barbecue zone with a grill, garden furniture and ping pong table.

Important: This role will be scheduled ~~8 hours~~ **6 hours per day, Monday - Friday** While applying, think about which shifts you would be available for - you will be assigned to only **one hour** of your choice.

6:00am-2:00pm

8:00am-4:00pm

9:00am-5:00pm

10:00am-6:00pm

1:00pm-9:00pm

2:00pm-10:00pm

Your tasks:

Game bug detection - from the obvious problems to the ones demanding maximum intensity of the senses and reaction time;

Report preparation (in English);

Providing feedback to the game developers with quality and playability improvement suggestions;

Tester team cooperation;

Test case updates.

We encourage you to apply if you meet the requirements below:

Availability from Monday through Friday for 40 hours a week;

Availability to cooperate in our Warsaw offices (13 Konstruktorska street or 95 Łopuszańska street);

Passion for games;

Experience with various platforms (consoles, PC, mobile, VR);

At least upper intermediate (B2) level of English, both in speaking and writing;

Perceptiveness and analytical approach to problem solving;

Good communication and teamwork skills;

Testing experience will be considered an asset.

We kindly inform that Lionbridge reserves right to contact only selected candidates.
